Children should be in school promptly at 8:50am. This ensures that no learning time is lost.

## AFTERNOON

We aim to stick to timetables, but occasionally there may be changes for a variety of reasons.

Our week is so busy that we cannot fit in every subject. We block up our Art and DT lessons so that we can create quality work over a number of themed days.

## Homework

Each week children will be set Maths and English tasks on ATOM learning. More information on this will follow. Children are also expected to read at home as often as possible, with a leaderboard for the top five readers each week.
